### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Edward Livingston on 11/01/04.

The application has been amended as follows:

Claims 20 and 21 have been canceled.

2. The above claims have been canceled as drawn to an invention which was nonelected with traverse.

3. The following is an examiner's statement of reasons for allowance: Claim 1 and the claims dependent thereon are allowable since the prior art of record does not disclose a device including a towel with the claimed hang line having a first end connected to the towel at a first attachment portion proximate a first corner of the towel and a second end connected to the towel at a second attachment portion, with a tension release fastener positioned on the hang line intermediate the first attachment portion and the second attachment portion, wherein the tension release fastener includes two
